

MIGRATION INFORMATION GREECE

Competent Authority:

The “**Ministry of Health – Department of Health Professions**” in Greece is the Competent Authority for the migrant physiotherapists application.

Applications should be sent to:

Ministry of Health
Department of Health Professions 17
Aristofelous Street
10433 Athens

Tel.: +30 10 5235941

The application:

Migrants should provide evidence of recognised physiotherapy training and work experience. Application should contain the following:

Evidence of Qualification (recognised physiotherapy diploma, state recognition of profession, work experience).

Curriculum Vitae

Evidence of nationality

Confirmation by the Applicants

Name of Competent or other National Authority

Further requirements:

There should also be a firm offer of employment in Greece and work permits should be obtained from the Ministry of Work and the Ministry of Health specifying physiotherapy.

The Greek association has recognition of applicants from other EU countries according to EU directive 8948/5192. Adaptation periods are applied in the framework of the S192 directive, but no aptitude tests are required. Knowledge in the Greek language is desirable and must in some cases be achieved. The migrant does not have to serve any special conditions in order to become a member of the Greek association.

Please contact the Greek Association for further details.

MIGRATION INFORMATION GREECE

Migrants in Education:

9 migrant students from other EU member countries and 3-4 students from non EU countries are educated in Greece every year. Greece own association has 10 students educated in other EU member countries every year.
