The application:

Migrants should provide a copy of their diploma and the address of the educational institution (this should be translated unless in French, German or English). Details of the curriculum of education should also be submitted, as well as any further qualification and specific clinical experience. All applications are considered on an individual basis and assessment takes into account professional experience.

- Evidence of physiotherapy education (with diploma)
- Evidence of good conduct
- Curriculum Vitae
- Documentation of applicant's name, date of birth and nationality (e.g. copies of relevant pages from passport).

Further requirements:

The Dutch association has no automatic recognition of migrants from other EU (European Union) countries. Whether aptitude tests and adaptation periods will be required depends on the advice of the Competent Authority. Tests are formulated as required on an individual basis and adaptation periods may include an element of supplementary training.

Knowledge of the host country's language must be achieved. The Dutch association has not specified whether the applicant has to meet to any special conditions to become a member.

Please contact the Dutch Association for further details.
